DISCUSSION GUIDE

Week Three

“No One Loves like My Dad”

Luke 15:11-32

- 1. What characteristics of God can you identify in the father’s actions, words, and heart for his children?**

- 2. Despite how far or near we are to our heavenly Father, He sees and hears us. How are you honestly expressing your words and thoughts to God?**

- 3. Are you welcoming others into God’s family and joining in the celebration? How do you rejoice in the lost being found?**

This week, try doing the following with other believers:

- We all know a “prodigal” in our lives. Take time to reach out to them and remind them that Jesus loves them and they only have to come to Him.*
- Share your story of how you were lost and became part of God’s family. With gratitude and thanksgiving, testify of what He’s done in and through you.*
